

Semester cleaning

At the end of the spring and autumn semester, it's time for the corridor's semester cleaning. Residents in the corridor clean the communal areas together. Please use the [cleaning tips](https://afbostader.se/en) at afbostader.se/en.

Corridor kitchen

- Clean the oven, microwave and fan.
- Clean the stove, behind and on the sides of the stove and cabinets.
- Empty and clean the kitchen cabinets and shelves inside and out.
- Defrost the refrigerator and freezer.
- Wipe off stains on the doors of the refrigerator, freezer, tiles and cabinets.
- Clean the space under the sink.
- Clean table, chairs and light fittings.
- Polish windows inside and out.
- Clean radiators and valves.
- Sweep/vacuum, mop behind and under the sofa, stove and wipe baseboards.

Corridor

- Empty corridor of things that should not be there.
- Sweep and mop the floor and clean skirting boards.
- Remove dirt and stains from walls and doors.

Balcony

- Empty the balcony of things that should not be there.
- Sweep and clean up trash, and empty the ashtrays.

Common shower room

- Clean walls and floors, floor drain and siphon.
- Clean the faucet and sink.
- Remove stains from other surfaces and clean valves and light fittings.
- Polish mirror (if any).
