The laundry room is a space that you share with other tenants. Instructions for use are posted in every laundry room and we ask you to respect them and thereby contribute to clean and pleasant laundry room. Use the machines with care because they are expensive to repair, and damage caused by inattention in the laundry room/sauna can lead to us having to charge individual tenants for damages. If anything is wrong with the equipment, please make a [fault report](#). Tenants can book laundry/sauna time at afbostader.se or on a booking board.
